

**Wissahickon School District
New Teacher Induction - Years 2 & 3
Reflective Activity**

We hope you all enjoyed your workshops!

Please take a few moments to read the instructions below and complete a response on the Ning before Friday, September 2nd.

- After your workshop each day, you will spend time in the afternoon working on an “assignment” that your facilitator has given you.
- When you are finished with your assignment, please go to the New Teacher’s group on the Ning - <http://wissahickon.ning.com/group/newteachers>
- Join the group (if you haven’t already) and find the discussion that matches the workshop you attended.
- Reply to the discussion with your projects, resources, plans, activities, etc. that you developed after attending this workshop, based on your “assignment”.
- Be sure to reply to a discussion for each workshop you attended - 3 total.
- Come back and peruse your colleagues' resources as well!
